

Come on up the house – Tom Waits

G **C G**
Well, the moon is broken and the sky is cracked

G Em
Come on up to the house

G C G
The only things that you can see is all that you lack

G D G
Come on up to the house

All your crying don't do no good
Come on up to the house
Come down off the cross, we can use the wood
You gotta come on up to the house

CHORUS

G
Come on up to the house

G Em
Come on up to the house

G
The world is not my home

C
I'm just a-passing through

G D G
Come on up to the house

There's no light in the tunnel, no irons in the fire
Come on up to the house
And you're singing lead soprano in a junkman's choir
You got to come on up to the house

Does life seem nasty, brutish and short
Come on up to the house
The seas are stormy and you can't find no port
Got to come on up to the house, yeah
You gotta come on up to the house

CHORUS

Come on up to the house...
